

**Gina Tipton, RN, MBA**  
**Vice President and Hospital Administrator**  
**Atrium Heath Navicent Rehabilitation Hospital**

Gina Tipton is Vice President of Rehabilitation and Hospital Administrator of Atrium Health Navicent Rehabilitation Hospital. Gina has been working in the post-acute sector since 2004. Prior to her current position, she has fulfilled a variety of roles throughout her tenure including clinical liaison, nursing house supervisor, case manager, PPS Coordinator, Assistant Director, and Director of Operations. As VP of Rehabilitation, Gina's responsibilities include leading therapy services across the Atrium Health Central and South Georgia Region.

Gina believes firmly in advocating for our patients and our industry. She is an active member of AMRPA, AHA, and GHA, where she currently serves as GHA Post-Acute Council Chair. Gina is also a proud member of ACHE and GAHE, serving as one of the Regional Vice-Chairs on the GAHE programs committee. Her dedication to rehabilitation and recovery began with her clinical background as a BSN and Certified Rehabilitation Nurse. Gina has her MBA, and she is a Certified Six Sigma Black Belt. Both of which have enabled her to gain an understanding and fervor for the quality and the business side of what we do every day. In addition to serving to elevate our industry, Gina values doing good in the community as a Rotarian.

The only thing that motivates her more than her passion for Rehab and Recovery Services is her role as wife and mother.
